Boss - I convinced Lisa that we are going to take a shot at lunch today. I have moved it back with her consent to 12:45 and I have switched the reservation to 12:45 pm also. I will have Phil drive you over to the location in order to minimize the chance of you being late. I have also told Mancusi and group that we need to have the briefing at 3:30 pm today. So let's see if we can get you out of the Dimock Update on time today and lunch would be available from 12:45 to 2:15.

Don
